

### Mining Supervisor (Site Safety & Health Representative/Supervisor) - formerly S1,2,3.

Duration	2 days
Time	7.30am - 4.00pm
Course Code	-

#### What job could training lead to?

Completion of this short course will give the participant the opportunity to supervise, manage and implement OH&S strategies, programs and processes for surface coal & metalliferous mining industries.

#### Am I eligible?

Relevant to workers in the mining industry, who wish to supervise or represent workers on a mine site.

#### What will I receive?

Participants who demonstrate competency in both the theory and practical assessments will then receive a Statement of Attainment in partial completion of RII30109 Certificate III in Surface Extraction Operations.

#### Can I go on to further training?

Successful completion of this short course covers units from the national training package and may allow the participant recognition of studies towards Certificate IV/ Diploma in Surface Mining Operations. Depending on your desired outcomes, OHS Mining Services offers a wide range of training pathways that may suit you.

#### Literacy, Numeracy and Assessment

Participants should have sufficient literacy and numeracy to read and comprehend instructions for safety at the workplace. Participants will need sufficient physical ability to attend a two-day classroom based course.

If you believe you may need assistance to complete these tasks, it is suggested that you speak to our staff who will arrange for an interview for you with one of our Learning Support Teaching staff prior to commencing your study program.

#### What else might I find useful?

A Mining Awareness Program developed by OHS will be of assistance to students who have little mining experience. To learn out more about this program phone an OHS consultant on 1300 647 200. Financial assistance with fees may be available through Paysmart payment plan.

This information can be found at: [www.ohsa.com.au](http://www.ohsa.com.au).

To ensure a place in this course an enrolment form must be completed and full payment received. Enrolments can be made over the phone, in person or via mail or email. Fees may be paid by credit card, cash, EFTPOS or money order.

#### Materials / Other Requirements:

All training materials will be provided for this course and assessment will be accomplished by a series of practical written exercises. A Statement of Attainment will be sent within 14 days of completing the training

#### Units of competency

Participants are required to complete the 3 core units listed below.

Unit	Description
RIIRIS301A	Apply risk management processes
RIIOHS301A	Conduct health and safety investigations
RIICOM301A	Communicate information

#### How do I apply and where can I obtain further information?
