

High Risk Occupation Training

Course in Performing Rigging Operations

COURSE IN PERFORM RIGGING OPERATIONS – OHSCER222A

Duration	Training: 32 - 40 Hour Assessment: 4 - 6 Hours
Time	Industry Experience: 120 Hours
Course Code	OHSCER222A

What job could training lead to?

Successful completion of this qualification, will assist the participant to gain active employment as a rigger in the construction industry

Am I eligible?

Participant's must be 18+ years old

What will I receive?

After training and a successful assessment trainees will be given a Statement of Attainment by OHSA and will receive a National Licence from the Department of Industrial Relations Queensland. (RB)

Can I go on to further training?

Further studies are required to obtain intermediate and advanced riggers licences. Depending on your desired outcomes, OHSA Training offers a wide range of training pathways that may suit you.

Literacy, Numeracy and Assessment

Adequate numeracy, literacy and English communication skills to do simple calculations, write legibly and be understood. Sufficient physical strength and dexterity to attach slings, etc., direct and place loads and have good vision and hearing. If you believe you need assistance to complete these tasks, it is suggested that you speak to our staff who will arrange an interview for you with one of our Learning Support Teaching staff prior to commencing your study program. We can design a literacy and numeracy support program that meets your individual needs and course demands.

What else might I find useful?

Financial assistance with fees may be available through a Pysmart payment plan. This information can be found at: www.ohsa.com.au. To ensure a place in this course an enrolment form must be completed and full payment received. Enrolments can be made over the phone with a credit card, in person or via mail. Fees may be paid by credit card, cash, EFTPOS or money order.

Materials / Other Requirements:

OHSA will provide each trainee with a safety helmet, gloves, high visibility vest, safety glasses, a clipboard, a whistle and training materials. Trainees will provide safety boots, work clothes and can bring their own harness. OHSA will provide general training gear e.g. harnesses, slings, ropes, chains, etc. A written learning record must be completed by a trainee in a prescribed occupation.

The informal learning record (logbook) for high risk occupations can be used by the trainee and supervisor to record the informal training and operational experience obtained in the workplace.
