

Operate a Front End Loader Skid Steer Type -OHSCER204A

Duration	32 Hours, Assessment 4-6 Hours Industry Experience - 40 Hours
Time	T.B.A.
Course Code	CFEL01

What job could training lead to?

Completion of this short self-paced course will increase your opportunities to gain employment operating a Skid Steer Type F.E.L.

Am I eligible?

There are no entry requirements.

What will I receive?

After training and a successful assessment trainees will be given a Statement of Attainment by OHSA and will receive a National operators Licence from WHSQ.

Can I go on to further training?

Successfully completing this short course covers units from the national training package. Depending on your desired outcomes, our training Services offers a wide range of training pathways that may suit you.

Literacy, Numeracy and Assessment

Basic literacy and numeracy skills are required to undertake components of this course and complete assessments. The course requires students to read and comprehend materials from notes, standards and legislative material. The assessment will require students to complete oral and written questions, If you believe you may need assistance to complete these tasks, it is suggested that you speak to our staff who will arrange for an interview for you with one of our Learning Support Teaching staff prior to commencing your study program. We can design a literacy and numeracy support program that meets you individual needs and course demands.

What else might I find useful?

Financial assistance with fees may be available through a Pysmart payment plan. This information can be found at: www.ohsa.com.au. To ensure a place in this course an enrolment form must be completed and full payment received. Enrolments can be made over the phone with a credit card, in person or via mail. Fees may be paid by credit card, cash, EFTPOS or money order.
