

Course in Work Safely in the Construction Industry (White Card)

Duration	Self paced - online delivery
Time	Nominal
Course Code	CPCCOHS1001A

What job could training lead to?

Completion of this short self-paced course will increase your opportunities to gain employment in the Australian construction industry

Am I eligible?

There are no entry requirements.

What will I receive?

On successful completion of this course learners will receive a Statement of Attainment for competencies completed. A Nationally recognised Passport for construction (*known as White Card*) will also be issued.

Can I go on to further training?

Successfully completing this short course covers units from the national training package. Depending on your desired outcomes, our training services offers a wide range of training pathways that may suit you.

Literacy, Numeracy and Assessment

Basic literacy and numeracy skills are required to undertake components of this course and complete assessments. The course requires students to read and comprehend materials from notes, standards and legislative material. The assessment will require students to complete online quizzes and written questions, If you believe you may need assistance to complete these tasks, it is suggested that you speak to our staff who will arrange for an interview for you with one of our learning support staff prior to commencing your study program.

What else might I find useful?

Go to www.whitecard.net.au and follow the prompts. Payment can be made online, over the phone with a credit card, in person or via mail, EFTPOS or money order.

Materials / Other Requirements:

Computer, Printer and online connection.
